MARTIN J. GOLDEN July 30, 2009

Brooklyn- State Senator Marty Golden (R-C-I, Brooklyn) today issued the following statement on the fire at the corner building of 68th Street and 3rd Avenue which burned at the location Wednesday evening into the early morning hours of Thursday, July 30, 2009:

“I am grateful for the tremendous response our City agencies, including our Fire Department, our Police, our Buildings, our Office of Emergency Management, our American Red Cross and others have provided to the residents in this time of rescue, recovery and now, as we enter the next phase of rebuilding.

We are blessed in that none of the residents of 6805 Third Avenue, or any of our emergency responders, were severely injured. I stand with the residents to support them and continue to maintain a dialogue with various agencies and the American Red Cross to ensure that these families receive every bit of support and assistance they require. My office and I stand ready to assist them.”
