

NEW YORK STATE SENATOR

Charles J. Fuschillo Jr.

Senator Fuschillo to Sponsor Breast Cancer Screening Program at Freeport Library

Charles J. Fuschillo Jr.

March 8, 2010

New York State Senator Charles J. Fuschillo, Jr. (8th Senate District), in conjunction with the Nassau Health Care Corporation, will be sponsoring a breast cancer screening program on Thursday, April 15th at the Freeport Library.

The screenings will be held at the Freeport Library, located at 144 West Merrick Road in Freeport, from 8:30 a.m. to 2:10 p.m. Appointments are necessary and will be scheduled on first-come, first-served basis. On site nurses and technicians will provide a mammography, a clinical breast examination and instructions for self examination. Patients and their physicians will be notified of the exam results.

The Nassau Health Care Corporation's guidelines for the program are as follows:

- * The program is open to all Nassau County women ages 40 and over.
- * Women covered by insurance, Medicaid or Medicare will have their carrier billed and must bring their information card to the screening. Nassau Health Care Corporation policy now requires patients to be responsible for any co-pays charged

by their carrier.

* Women ages 40 and older without health insurance will not incur any out-of-pocket costs.

Women who would like to take advantage of the screening program should call Senator Fuschillo's office at (516) 882-0630 to make an appointment.
