Senator Thompson Holds Spring Job Fair

ANTOINE M THOMPSON April 19, 2010

Buffalo, NY – New York State Senator Antoine M. Thompson (D-Parts of Erie & Niagara Counties), will hold a job fair on Friday, April 23, 2010 from 9:00 am to 1:00 pm at the Pratt-Willert Community Center.

“The economy is beginning to slowly turn around and the unemployment rates have dropped,” stated Senator Thompson. “However, there are still many people out there in need of jobs and I hope to be able to assist people in their employment search.”

The purpose of the Job and Training Fair is to give employers and attendees an open venue to meet and exchange information with one another. Given the current economic times and layoffs in varying sectors all over the country, an event like this is even more necessary to fill the employment gaps.

The job fair will include representatives from over fifty companies and free on-site resume help. Please wear appropriate attire and bring at least 25 copies of your resume.
