Statement by Senator Golden on the Passing of William O'Keefe

MARTIN J. GOLDEN May 11, 2010

"Bill O'Keefe, like his wife Rosemarie who we lost less than a year ago, was truly dedicated to the greatness that is our community. Be it the numerous organizations Bill was involved in and supported, or if it was seeing Bill sweeping in front of his home, wherever you turned, it seemed like you saw Bill and his good work. May we keep the O'Keefe Family in our prayers and may we allow his life to inspire us."
