The Senator and his staff reached out to the various Queens chapters of the American Legion, Veterans of Foreign Wars, Knights of Columbus, Catholic and Jewish War Veterans, to be their special guests, so they could cook and serve them BBQ fare and host one more outdoor neighborhood event. Important: in order to know how many are expected, those planning to attend must R.S.V.P. by calling Senator Addabbo's Howard Beach district office at 718-738-1111 no later than September 23, for preparation purposes.

"This is just our small way of saying 'Thank you for your service' -- not only to our local veterans but also to their families. All nobly served our country in years past and of course, many brave volunteers are currently doing so in Afghanistan and Iraq. We should show our veterans that we appreciate their dedication and commitment not just on Veterans Day but every day of the year," Addabbo concluded.
