

## Community Update for Week Ending September 17th, 2010

JOSEPH E. ROBACH September 17, 2010

changes for this year from the Monroe County Health Department:

- This year's flu vaccine will contain H1N1 as it 'digital age', it is important our is believed H1N1 will circulate again. BUT, you will not need a separate shot.
- All persons 6 months and older are encouraged to get vaccinated.

There are numberous venues to get a flu shot. Your doctor, a pharmacy, or one of the many clinics in the area are all places to receive one. Monroe County has a dedicated phone number for information on the flu, 753-5600. Also, for the latest information, visit my website at robach.nysenate.gov.
