PRAYER VIGIL
FOR
Bicyclist
JASMINE HERRON

On September 11th 2010, Jasmine Herron was riding her bicycle on Atlantic between Clinton and Washington Avenues; a motorist opened the car door and knocked Jasmine Herron age 23 into the path of on coming traffic. Unfortunately the B45 bus hit Jasmine, thus killing her.

Jasmine Herron was an only child from Denver, Colorado and is survived by her mother. Jasmine would have been going home in 2 weeks. We are asking all bikers to ride their bikes in tribute of Jasmine Herron and her family.
