Daniel L. Squadron

Sign our petition to stop rental car companies from discriminating against New Yorkers!

DANIEL L. SQUADRON December 7, 2010

Did you know that some car rental companies charge Brooklyn, Queens, and Bronx residents an extra fee just for living in these boroughs—even if they are renting the car somewhere else?

Senator Squadron worked with Brooklyn Borough President Marty Markowitz, Manhattan Borough President Scott Stringer and Assemblymember Brian Kavanagh to launch a petition drive calling on Dollar and Thrifty rental car companies to drop this discriminatory fee.
