LITTLE INVITES TOURISM IDEAS OVER BREAKFAST

Senator Betty Little is hosting a “Think Tourism” breakfast at the Westside Grille, located at West Mountain in Queensbury, on Friday, February 4 from 8 am to 10 am.

Little, who recently became chair of the Senate Cultural Affairs, Tourism, Parks and Recreation Committee, has organized the breakfast to invite ideas to boost regional tourism. She said the potential impact of this year’s executive budget will also be discussed.

Anyone wishing to attend should RSVP by January 31 by calling 743-0968 or emailing little@nysenate.gov.
