Statement from Senator Lee M. Zeldin RE: Governor Cuomo's Budget Proposal

LEE M. ZELDIN February 1, 2011

"I will be analyzing Governor Cuomo's Budget Proposal very thoroughly in the coming days and weeks. I will continue to work hard for a balanced budget that does not include any tax increases. For the past two years, Long Islanders and Third Senate District taxpayers have been shortchanged by Albany politicians. I will work hard to make sure that our district's interests and region's interests are not ignored. "
