Coat Drive Delivers Warmth to Those In Need

JOSE PERALTA February 3, 2011

State Senator Jose Peralta's annual coat drive this year yielded more than 250 winter coats, as well as scarves, hats and gloves, thanks to the help and generosity of Good Morning America, Burlington Coat Factory and One Warm Coat.

The winter clothes are being distributed to local churches and non-profit service providers, including the AIDS Center of Queens County, Elmcot Youth & Adult Activities and the Church of the Resurrection, as well as homeless shelters in the area.
