

NEW YORK STATE SENATOR

Mark Grisanti

Sen. Grisanti Meets with Small Business owners in North Buffalo

MARK GRISANTI February 25, 2011

| ISSUE: **CONSTITUENTS CORNER**

Today, Senator Grisanti met with small business owners from Buffalo to discuss issues that impact day-day operations of their businesses.

"Some of the major concerns that I am hearing is the increase in government regulation, which needs to be stopped so these small businesses can operate efficiently and put more back in their pockets and into the community, not back in Government," said Sen. Grisanti.
