

NEW YORK STATE SENATOR

Jack M. Martins

Senator Jack Martins 2011 Legislative Questionnaire

Jack M. Martins

March 1, 2011

As your new State Senator, your views are important to me.

The following legislative questionnaires are your opportunity to let your voice be heard. Please keep in mind that these questions do not necessarily reflect my views. This is your chance to express your opinion. I want to know your position on the important issues facing our community so that I may best represent you.

I want to make state government more responsive to the citizens we serve. From providing property tax relief for overburdened homeowners, to instituting fiscally responsible measures that will help improve our business climate and create jobs, my bold agenda will help improve the way government works and make Long Island a more affordable place to live and work. Your responses will help me shape my legislative agenda to help make it even more effective.

Thank you for taking the time to participate. All responses are confidential. Everyone who answers the survey, either online or by sending in a completed form, will receive a copy of the tabulated results in the next few weeks.

Please remember that my office is always available to assist you and your family.

Sincerely,

Jack M. Martins
