Senator Skelos Invites Nominees for 2015 "Women of Distinction"

DEAN G. SKELOS February 27, 2015

Annual Program Honors Women's Contributions to Our Community

In honor of Women's History Month, Senator Skelos today invited local residents to nominate friends, coworkers and neighborhood leaders whose outstanding work on behalf of our communities makes them deserving of special recognition by the State Senate as a New York "Woman of Distinction."

The Senate will honor distinguished woman from our area and throughout the state at an Albany reception to be held in May, where each honoree's photograph and biography will

become part of a special exhibit proclaiming the special contributions of exemplary New York women.

"There are remarkable women in our midst whose lives, work or special accomplishments contribute to making our communities better, making our families stronger and serve as special examples to others," said Senator Skelos. "The Senate's 'Woman of Distinction' program provides a special opportunity to honor these women for their achievements and to thank them for the special pride they bring to our communities."

Previous winners in the annual event have included leading women from the worlds of business, academics and civic life, as well as those who have performed heroic or selfless acts, made significant discoveries or provided examples of personal excellence against difficult odds.

Women who live in the 9th Senate District are eligible to be considered as a "Woman of Distinction." Special nomination forms are available by contacting Senator Skelos' office at (516)766-8383 or can be down loaded from Senator Skelos' website at www.skelos.nysenate.gov. Nominations must be received no later than April 1, 2015.

The "Woman of Distinction" program was created as part of the Senate's celebration of Women's History Month. In addition to recognizing present-day women, the Senate will host a display that honors other distinguished women from New York's past, from leaders of the 19th Century suffragist movement to pioneers in education, science and the arts.
