The Brooke Jackman Foundation is a not for profit organization created in response to the 9/11 World Trade Center attack that claimed the life of 23 year old Oyster Bay resident Brooke Jackman. Its mission is to honor Brooke's deep love of reading and interest in helping children by creating and supporting programs enhancing the literacy and self esteem of children. Dozens of prizes will be awarded to winners of all ages, and all participants will receive a high-quality commemorative T-shirt and water bottle. You'll have a great time and help advance youth literacy!
