Community Connection for Week Ending May 1st

JOSEPH E. ROBACH April 29, 2011

While some of you may have received this information in the mail, others can learn the risk factors for breast cancer, check on the symptoms, and learn about screenings by visiting my website at www.robach.nysenate.gov. You will see the pink graphic and ribbon on the left hand side, which will direct you to the special section containing this information.

You can also learn about next week's Pink Ribbon Run, presented by the Breast Cancer Coalition of Rochester, which will take place on Mother's Day in Charlotte.
