FOR IMMEDIATE RELEASE

“He Who is Not With Us, Is Against Us” (Luke 9:50)

The Newspaper, El Diario La Prensa, calls itself “The Champion of the Hispanics.”

But you will never read or find a reporter from El Diario La Prensa covering one of the hundreds of events that we Evangelical Christians celebrate throughout the year.

They never cover or report news about the Grand Evangelical Children’s Parade that is held every year.

They never cover a celebration of Bishops Day or The Day of the Superintendents.

They never cover a single Pastors Day of the many that occur throughout the year.

They never send a reporter to cover any of the great campaigns of evangelists such as Yiye Avila, Jorge Raschke or many other great evangelists.

And they never cover the New York Hispanic Clergy Organization's Annual Banquet which is held to honor our pastors and leaders.

All our activities are geared to help prevent crime in our communities, for example, taking drug addicts, prostitution and criminals off the street, but El Diario La Prensa does not care.

But when it comes to an event regarding homosexuals or an event in favor of abortion, even if there are four people attending, El Diario La Prensa highlights these events on its front pages.

The Bible has given us the authority that whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loose in heaven (Matthew 18:18).

For this reason, on Monday, May 16th we will begin a boycott against the newspaper "El Diario La Prensa."

If our events and activities are irrelevant, if our events and activities are ignored by them, then the 50 cents that our brothers and sisters and members of our community spend daily buying El Diario La Prensa to be used to promote abortion and same-sex marriage, should no longer be contributed.

This is why we are asking our community to join in the defense of morality and not to buy El Diario La Prensa.

We will instruct our congregations, friends, relatives and the Hispanic Community, that starting on Monday, May 16th, they should not contribute their 50 cents to the propaganda and promotion of abortion and same-sex marriage.

We want to send a message to the whole world that El Diario La Prensa is not a true, fair and impartial Champion of the Hispanic Community.
