| COMMITTEE: **LOCAL GOVERNMENT**

Senator Jack M Martins thanked the members of the Elmont Fire Department for their service to the greater community at the Belmont Elmont Day Parade this past weekend. The members of the Elmont Fire Department welcomed Senator Martins to the parade and showed him the fire department apparatus during the parade set-up. Senator Martins and County Legislator John Ciotti spoke to the volunteers and thanked them for their participation in community events in addition to their duties with the department and emergency services. "The men and women who serve in our fire departments are the backbone of our communities. They are our first responders and are always there when our communities need them. I can't thank them enough for their service," said Senator Martins.
