

NEW YORK STATE SENATOR

Michael F. Nozzolio

Phelps Sungas Autogas Fueling Station Ribbon Cutting with Senator Mike Nozzolio

MICHAEL F. NOZZOLIO June 13, 2011

Phelps - Senator Nozzolio recently participated in the ribbon cutting ceremony for Phelps Sungas Autogas Fueling Station in Phelps, New York. Phelps Sungas, a locally owned and operated propane marketer of the Finger Lakes area for over 70 years, is committed to safety, dependability and customer service. Propane autogas is liquefied petroleum gas used as a vehicle fuel and the world's most widely used alternative fuel, allowing users to save more than \$1 a gallon versus gasoline. Senator Nozzolio has been a long time supporter of advancements to bring lower costs to the taxpayers in his district such as alternative fuel sources and was honored to have the opportunity to join the opening ceremony of Phelps Sungas Autogas Fueling Station.
