Senator Jack M. Martins dropped by the Elmont Memorial High School Friends of Music Carwash Fundraiser this past weekend in support of the students fundraising efforts towards travelling to perform in Europe in the city of Prague! The students at Elmont washed cars all day in support of a comprehensive fundraising effort to achieve their goal. Advisor Eileen Kramer led the effort along with students. "The students in the Elmont Music Department are some of the most talented young people I have ever met. They love to

perform, study music and are sensational in their performances. They make Elmont proud and I was honored to be able to support their efforts. I want to thank the students for their invitation to join them today. I'm honored to be their friend," Senator Martins said.
