Senator Charles J. Fuschillo, Jr. (R-Merrick) today held Mobile Office Hours at the Freeport Library, where he met individually with residents and listened as they voiced their concerns about a number of different issues.

"I thank all the Freeport residents who took the time to come to the Library and meet with me today," said Senator Fuschillo. "It was wonderful speaking with them, listening to what they felt was important, and providing assistance if they needed it."

Senator Fuschillo's "Mobile Office Hours" brings government services directly to residents in their own community. As part of the program, residents who need assistance with government services, have

questions about government programs, or would like to express concerns about a particular issue can share them with Senator Fuschillo in a one-on-one setting. Senator Fuschillo holds “Mobile Office Hours” in communities throughout his Senate district.

Freeport residents who were unable to meet with Senator Fuschillo at his Freeport Mobile Office Hours but have an issue they would like to discuss with him can call his office at 516-882-0630 or email him at [fuschill@nysenate.gov](mailto:fuschill@nysenate.gov).
