Senator Skelos' Free Skin Cancer Screening - Friday, July 10, 2015

DEAN G. SKELOS   June 30, 2015

I am pleased to announce that I will be hosting a **FREE Skin Cancer Screening** in partnership with South Nassau Communities Hospital on Friday, July 10th, on the Long Beach Boardwalk, National Blvd Entrance from 1-4pm.

Doctors from South Nassau Communities Hospital will be on hand to screen for skin cancer as well as provide tips on how best to protect yourself from the sun. For directions to the event, please click HERE.

There is no charge to participate in this event and no appointments are necessary. If you have a friend or know someone who would benefit from this program, please feel free to pass this information along to them.

For more information, or if you have any questions, please do not hesitate to contact my district office at (516) 766-8383.
