Senator Parker's Statement on the Murder of Lieby Kletzky

For Immediate Release: July 20, 2011

(Brooklyn, NY) I am truly devastated by the tragedy that occurred this July 11, 2011. According to law enforcement officials, 8 year old Leiby Kletzky was abducted and murdered at the hands of Levi Aron.

On July 18, 2011 I attended Leiby's Shiva to pay my respects to his family. I again want to give my sincerest condolences to the Kletzky family and the Borough Park community. I know it is hard to lose any family member; but when it is under horrific circumstances such as this one, it is especially difficult.

I too, along with Senator Savino and Assemblyman Hikin represent the Borough Park community. It is one of the safest areas in my district. I will do all that I can to assist the family in their time of need.

In an effort to deter any future tragedies, I plan to support the Savino/Hikin legislation to provide economic incentives to our business owners to install surveillance cameras. I also believe it would be helpful to law enforcement if we had a uniform system to address missing persons such as the Lori Ann's law introduced by Senator Valesky and Assemblyman Reilly (S.659/A.3526). I call on the Governor and Senator Skelos to pass these bills at the next special legislative session.

Additionally, I call on the District Attorney to conduct a thorough investigation and prosecute this case to the full extent of the law.

Rest assured, I will do all that I can to help the family receive closure and to deter any reoccurrences of such a horrific crime.
