New York State Senator Reverend Ruben Diaz (D-Bronx) has posed the following question today to his Facebook friends:

Who here thinks that Governor Andrew Cuomo played games with us when he let the Port Authority claim they'd hike the toll fares by \$6 and then he could come along and act like a hero saying to only make it a \$1.50 increase?

Yes, Governor Andrew Cuomo tried to make us look like fools.

No, Governor Andrew Cuomo is my hero.
