Senator Charles J. Fuschillo, Jr. (R-Merrick) today held Mobile Office Hours at the Amityville Library, where he met individually with residents and listened as they voiced their concerns about a number of different issues.

"It was great to be able to sit down with Amityville residents, speak with them individually about their concerns, and provide assistance if they needed it. I thank everyone who took the time to come to the Library and meet with me today," said Senator Fuschillo.

Senator Fuschillo's "Mobile Office Hours" brings government services directly to residents in their own community. As part of the program, residents who need assistance with government services, have questions about government programs, or would like to express concerns about a particular issue can share them with Senator Fuschillo in a one-on-one setting. Senator Fuschillo holds "Mobile Office Hours" in communities throughout his Senate district.

Amityville residents who were unable to meet with Senator Fuschillo at his Amityville Mobile Office Hours but have an issue they would like to discuss with him can call his office at 516-882-0630 or email him at fuschill@nysenate.gov.
