Senator Serrano joined Comptroller John Liu and Assemblywoman Vanessa Gibson at Highbridge Senior Center for a meet and greet with local Seniors.

"It's always a pleasure to spend time in Highbridge, and hear questions and concerns from the community," said Senator Serrano. "John Liu is a terrific colleague who has done great work for the Bronx, and it's wonderful to have him here today."

The event was one part of a full day of Highbridge activities that the Comptroller was

scheduled to attend. Also present were Councilmember Helen Diane Foster and various community residents.
