The Floral Park-Bellerose School Student Council held their election and Senator Martins dropped by to congratulate all the participants. Senator Martins also spoke to the students, offering words of encouragement.

“Congratulations to all the students who took part in the Democratic process in the Floral Park-Bellerose School. It’s great that they have an interest in service to their school. I also want to once again thank the student council for its generous candy donation to the Sweets

for Soldiers campaign. The students raised 600 pounds of candy. There are great things happening at the Floral Park-Bellerose School,” Senator Martins said.
