Statement From Senator Michael Gianaris on Celebration of Thanksgiving

[MICHAEL GIANARIS](#) November 24, 2011

“Despite the unfortunate economic climate we are facing, there remains much to celebrate in western Queens this Thanksgiving. Our community continues to flourish as a haven for families and businesses alike, with new residences and businesses sprouting by the day. As we pause to commemorate all for which we are thankful, I am proud of the work we have done together to make our community such a wonderful place in which to live and work. Happy Thanksgiving!”
