Finger Lakes Region Awarded \$68.8 Million for Job Creation Through Regional Economic Development Council Initiative

MICHAEL F. NOZZOLIO December 8, 2011

| ISSUE: **ECONOMIC DEVELOPMENT**

Governor Cuomo has announced \$68.8 million in state funding for over 100 economic development projects in the greater Finger Lakes Region. These funds are being directed through the New York State Regional Economic Development Council Initiative. "This funding will help to create new jobs and encourage economic growth. I was pleased to work with and support both the Governor and Lieutenant Governor Duffy in their efforts to develop a community-based approach to job creation", said Senator Mike Nozzolio.
