

NEW YORK STATE SENATOR

Martin J. Golden

Internship Opportunity at the New York Aquarium (Deadline Mon. Jan. 9)

MARTIN J. GOLDEN January 6, 2012

Curious about career opportunities in marine biology?

Interested in learning more about ocean conservation,

and about what you can do to protect our local marine

environment? Then, join us this winter for the Teens

in Conservation Program's Careers in Aquatic

Research and Education (C.A.R.E.) Program at the

New York Aquarium!
