Senator Fuschillo Receives Autism Advocacy Award From Autism Speaks

CHARLES J. FUSCHILLO JR. January 18, 2012

Senator Charles J. Fuschillo, Jr. (R-Merrick) was recently honored by Autism Speaks for his tireless advocacy for individuals with autism.

Senator Fuschillo received Autism Speaks' Autism Advocacy Award for authoring New York State's autism insurance reform law. The law will enable individuals with autism spectrum disorders to receive insurance coverage for screening, diagnosis and treatment. The law will save families with autism tens of thousands of dollars a year in out of pocket costs for

autism treatment and therapies which many insurance companies refuse to cover. The law takes effect on November 1st.

Autism Speaks also honored Senator Fuschillo's many years of work on behalf of families with autism by renaming the award the "Senator Charles J. Fuschillo, Jr. Autism Advocacy Award."
