Senator Fuschillo Thanks Seaford Chamber for Participating in First-Aid Supply Drive

CHARLES J. FUSCHILLO JR. March 8, 2012

Senator Charles J. Fuschillo, Jr. (R-Merrick) recently thanked the Seaford Chamber of Commerce for participating in his first-aid supply drive.

Chamber members collected several boxes full of bandages, gauze pads, cotton balls, peroxide, and antiseptic ointments as part of the drive. A number of chamber members also opened up their businesses to serve as drop-off points where residents could bring items to donate.

All items collected through the first-aid supply drive will be donated to the Interfaith Nutrition Network (INN), which serves families in need throughout our communities.
