Community Connection for Week Ending April 22, 2012

JOSEPH E. ROBACH April 20, 2012

many volunteer departments are hosting open houses this weekend to help recruit new volunteers.

As part of an initiative called Recruit NY, these open houses will provide information about free training programs, responsibilities and what a typical day-in-the-life of a volunteer firefighter involves. You will also learn about some of the benefits you can receive from volunteering, like tax breaks offered by the state and some local communities.

Just visit the Recruit NY website to find an Open House close to you.

This weekend provides a great opportunity to become a part of this proud tradition.
