Statement on Senator Golden's Women's Business Event

MARTIN J. GOLDEN July 3, 2012

Brooklyn – The following statement has been issued by Senator Golden's Office regarding an upcoming women's business event:

"Each year, Senator Golden holds several well received events to provide options to his constituents for personal and business development. Our upcoming event, which we have chosen not to hold, is similar to ones being organized by other elected officials, as well as classes conducted in local high schools. The Senator's support of legislation and programs to help create jobs for all New Yorkers is a matter of public record, and we will be holding future events to assist them in finding and keeping a job."
