92nd Street Sewer Work Update

MARTIN J. GOLDEN July 5, 2012

Beginning 7AM on July 6th through July 9th

Beginning at 7AM on Friday the 6th of July, curbside parking will be eliminated along 92nd Street between 3rd Avenue and 4th Avenue for approximately 3 days. Driveway access will be maintained.

WHY IS THIS NECESSARY?

As a result of the sewer break at Third Avenue and 92nd Street, a DEP contractor is constructing an emergency sewer in 92nd Street between Fourth Avenue and Ridge Boulevard.

92nd STREET ACCESS: between 3rd – 4th avenues

Currently the street is closed to through-traffic. Residents wishing to access their driveways or make deliveries to their homes must enter from 3rd Avenue.
