*I am a disabled combat veteran of World War II. I served in the US Navy in the Pacific Theater of War in the forward area aboard the destroyer USS Sigourney DD 643. We were awarded 10 battle stars, a presidential Unit Citation from the President of the Philippines together with Philippines Liberation Ribbon with 2 bronze stars. Aside from being in numerous island invasions we were involved in the the biggest naval battle in history at Leyte Gulf/Surigao Straits, Philippines. Also involved in numerous island invasions, air raids, ship to ship engagements and others. My battle station was very close to a 5 inch 38 gun. We participated in the following: Consolidation of the Solomon Island, Consolidation of Northern Solomons, Treasury-Bougainville Operation, Occupation and Defense of Cape Torokina, Bisinarck Archipelago Operation, Green Island Landing, Anti-shipping Sweep and Bombardment of Rabul and Duke of York Island, Marianas Operation, Capture and Occupation of Saipan, Capture and Occupation of Tinian, Western Caroline Islands Operation, Capture and Occupation of Southern Palau Islands, Leyte Gulf (Surigao Strait), Luzon Operation, Mindoro Landings, Lingayen Gulf Landings. The USS Sigourney saw every active theater of the Pacific war except the Aleutians and the Japanese homeland itself. Our ship operated tactically with the Third, Fifth and Seventh Fleets during different phases of her contact with enemy forces. We rescued thirty-four American survivors from the USS McKean while she was ablaze in night battle with flares and dive bombers trying to sink the USS Sigourney. Also rescued five American and one Japanese airman.*
