Addabbo notes, “Many of my constituents might be unable to visit my district offices during the day Monday through Friday. The time I am spending at mobile office hours on Monday and Thursday

evenings around the district gives them an opportunity to see me in their own neighborhoods without making an appointment, so I may personally address their concerns. I will also be speaking about how important library funding is from the city and the state in restoring programs and services to local libraries, like the recently extended evening hours. My constituents should also know that I've worked to restore NYS capital funding for vital building projects like Woodhaven Library's interior renovations to its Carnegie building (Phase 1), set to begin this fall, and new senior housing now under construction in Howard Beach."

For more details, call Addabbo's district offices in Howard Beach at [718-738-1111](tel:718-738-1111) or in Middle Village at [718-497-1630](tel:718-497-1630). Visit Senator Addabbo online at: <http://addabbo.nysenate.gov> or on Facebook at "Senator Joe Addabbo."
