

NEW YORK STATE SENATOR

Charles J. Fuschillo Jr.

Senator Fuschillo to Sponsor Free Prostate Cancer Screening Program in Wantagh

Charles J. Fuschillo Jr.

September 25, 2012

Senator Charles J. Fuschillo, Jr. (R-Merrick), in conjunction with the Integrated Medical Foundation and Bostwick Laboratories, will be sponsoring a free prostate cancer screening program in Wantagh.

The free screening program will be held on Thursday, October 11, 2012 between 4 pm and 6 pm at the Wantagh American Legion, which is located at 3484 Park Avenue, Wantagh. The free screenings will be conducted by Dr. Theodore Felderman, MD.

The Integrated Medical Foundation's guidelines for the program are as follows:

- Open to all men over the age of 40 who have not previously been diagnosed with prostate cancer, regardless of whether or not they have insurance;
- Screenings will include a PSA blood test and a digital rectal exam;

- Men who will be getting screened must bring a photo ID containing an address, such as a driver's license;
- Patients wishing to be notified of the exam results should bring 2 stamped envelopes: one addressed to themselves and the other to their doctor.

Appointments are recommended but walk-ins will be accepted. Screening appointments will be scheduled on a first come, first served basis. Men who would like to schedule an appointment for a free prostate cancer screening should call Senator Fuschillo's office at 516-882-0630.
