

NEW YORK STATE SENATOR

Patty Ritchie

Central New Yorkers Meet WITH Senator Ritchie at Mobile District Office Event

PATTY RITCHIE October 5, 2012

| ISSUE: **CONSTITUENTS CORNER**

Oswego County residents looking for help in solving problems with state government were able to get assistance from State Senator Patty Ritchie at her Mobile District Office event, held recently in Sandy Creek.

The Mobile District Office events are a continuation of the Senator's efforts to make herself available to her constituents. As part of her work to hear their concerns, Senator Ritchie opened the first full-time senate district satellite offices in Oswego and St. Lawrence Counties, while at the same time reducing office spending. Senator Ritchie also hosted several Telephone Town Hall meetings and is accessible through email and social media.

Senator Ritchie will host two more Mobile District Office events in Oswego County on the following dates:

- Friday, October 5th: Volney Town Hall, 1445 County Route 6, 4:30 to 6 p.m.
- Tuesday, October 9th: Fulton City Hall Community Room, 141 S. First St., 4:00 to 5:30 p.m.

If constituents aren't able to make the Mobile District Office events, Senator Ritchie encourages people to visit her Oswego office, located at 46 East Bridge St., or call 342-2057.
