Information on FEMA Disaster Assistance from OEM

MARTIN J. GOLDEN October 30, 2012

Anyone affected by Sandy, including homeowners, renters, and businesses, should call FEMA at 800-621-3362 (FEMA) or visit disasterassistance.gov to register for federal disaster assistance.

Before you call, be sure to have the following information ready:

-Address of affected property

-Insurance information

-Social Security #

Also, keep photos of damage and receipts from disaster-related expenses if you have them available
