Message from Senator Lanza Regarding Donations

[ANDREW J LANZA](#) November 11, 2012

If anyone knows of specific families who are in need, my office has an abundance of cleaning supplies, blankets and food. We have plenty on hand and people available to deliver, however, we don't have many specific requests coming in at this time. We've also gotten requests for backpacks and plastic storage bins if anyone would like to donate those. Thank you for all the continued generosity.
