(Queens, NY)- Senator Malcolm A. Smith in partnership with dozens of local businesses provided hundreds of families with turkeys for the Thanksgiving holiday. Arverne By The Sea, Farmbria, Food World Supermarket, Food Cellar & Company, Western Beef, Food Town, C Town, Enterprise, Key Food and Royal Waste Services all donated to the turkey drive.

"I would like to send a tremendous thank you to all of the businesses who made this year's turkey drive a success. Without their commitment to service we would not have been able to provide more than 200 families with turkeys.

Residents in both the Jamaica area and Far Rockaway received turkeys.
