Charles J. Fuschillo Jr.

Senator Fuschillo's Chanukah Message

CHARLES J. FUSCHILLO JR. December 8, 2012

"Tonight begins the celebration of Chanukah, a wonderful holiday which honors the faith, dedication, and perseverance of a group of warriors who never lost hope in the face of tremendous challenges.

As families and friends come together over the next eight days to light the menorah as part of this "festival of lights," we are reminded to count our blessings and remember that through perseverance, determination, and working together, anything is possible. With that spirit in mind, we look towards building a brighter future for all.

My family and I offer our best wishes for a very Happy Chanukah to all those who are celebrating."
