

NEW YORK STATE SENATOR

Charles J. Fuschillo Jr.

Senator Fuschillo to Sponsor Breast Cancer Screening Program in Freeport

CHARLES J. FUSCHILLO JR. March 6, 2013

| ISSUE: **WOMEN'S HEALTH**

New York State Senator Charles J. Fuschillo, Jr. (R-Merrick), in conjunction with NuHealth/Nassau Health Care Corporation, will be sponsoring a breast cancer screening program on Thursday, April 18th from 8:45 am to 12:00 pm at the Freeport Library. The library is located at 144 West Merrick Road in Freeport.

Appointments are necessary and will be scheduled on a first-come, first-served basis. On site nurses and technicians will provide a mammography, a clinical breast examination and instructions for self examination. Patients and their physicians will be notified of the exam results.

NuHealth's guidelines for the program are as follows:

- The program is open to all Nassau County women ages 40 and over.
- Women covered by insurance, Medicaid or Medicare will have their carrier billed and must bring their information card to the screening. NuHealth policy now requires patients to be responsible for any co-pays charged by their carrier.
- Women ages 40 and older without health insurance will not incur any out-of-pocket costs.

Women who would like to take advantage of the April 18th breast cancer screening program at the Freeport Library should call Senator Fuschillo's office at (516) 882-0630 to make an appointment.
