| ISSUE: **STATE PARKS**

Do you love our local state parks and want to help keep them beautiful? If so, you might be interested in the second-annual I Love My Park Day on Saturday, May 4. Sponsored by Parks & Trails New York, I Love My Park Day gives volunteers from across the state a chance to help clean up, improve and beautify their local parks.

Events will be taking place at Allegany State Park, the Genesee Valley Greenway, Letchworth State Park and Midway State Park. For more information and to learn how you can help out, please visit <http://www.ptny.org/ilovemypark>. Hopefully you can make it!
