On Saturday, April 27th, 2013, the 68th Precinct along with the Drug Enforcement Administration (DEA) will be participating in a nationwide prescription drug take-back plan. This initiative allows everyone including pharmacists, to dispose of unwanted or expired pills, which will help prevent the abuse and the theft of these medications.

If you have any unused or expired medication that you would like to dispose of please bring it to the 68th Precinct (333 65th Street) this Saturday between the hours of 10:00 a.m. and 2:00 p.m. For those of you who cannot make it on Saturday, there will be boxes to drop off these items in front of the following precincts tomorrow (April 25th): 90th Precinct (211 Union Avenue), 66th Precinct (5822 16th Avenue) and the 71st Precinct (421 Empire Blvd).
