Help Point Breeze win Ultimate Fishing Town contest!

GEORGE D. MAZIARZ April 26, 2013

The popular fishing spot of Point Breeze in Orleans County is in a battle to secure the title of “Ultimate Fishing Town” from the World Fishing Network. The winning town receives a \$25,000 donation for the community.

The winner of the contest is the town that receives the most votes on the Ultimate Fishing Town website. You can vote up to four times per day at <http://www.worldfishingnetwork.com/uft/homepage.php>

Voting ends on May 3, so act quickly and vote often! Last year, our region helped Olcott in Niagara County win this special designation; Now it's time to recognize and support another

great fishing town--Point Breeze.
