Senator Charles J. Fuschillo, Jr. (R-Merrick) recently joined with members of the Merrick and North Merrick community to commemorate Memorial Day at the annual Memorial Day Parade.

The Merrick/North Merrick Memorial Day Parade is an annual community tradition which pays tribute to all of the veterans who served our nation, most especially the ones

who made the ultimate sacrifice defending our country. Hundreds of Merokians lined Merrick Avenue between Veterans Plaza and the Veterans Monument at Lee Avenue to view the parade and show their appreciation for our American heroes.

Senator Fuschillo is pictured as he hands out flags with the Merrick Kiwanis Club to some of the hundreds of residents who viewed the parade.
