State Senator Patty Ritchie visited Pulaski Public Library recently, to announce \$3,000 in special funding she helped secure for the organization.

Pulaski Public Library was one of 25 libraries and 2 library networks in Oswego, Jefferson and St. Lawrence Counties to share \$85,000 in special funding. The funding was in addition to a \$4 million increase in state budget aid for libraries statewide.

Senator Ritchie is pictured in the above photo with Margaret Weigel, a librarian at Pulaski Public Library.
