Registration Deadline for September 11th Victim Compensation Fund: October 3, 2011

ANDREW J LANZA August 28, 2013

The September 11th Victim Compensation Fund (Fund) is approaching an important deadline. Anyone who knew or had reason to know of physical harm or illness resulting from the 9/11 attacks before October 3, 2011 is required to register by October 3, 2013. Please [click here](#) for more information and frequently asked questions about the filing deadlines.

Registration preserves your right to file a claim in the future (before the Fund ends on October 3, 2016). Registration is not the same as filing a claim and does not commit you to file a claim even if you have registered. If you are uncertain about when your illness began, register by the October 3, 2013 deadline to preserve your right to file a claim.

Registration is easy and requires answering only a few questions. [Click here](#) to register now.
